Subject: AP news article re: water delivery cancelled to Dimock, PA

Ms Taylor,

I read with dismay the following article on the AP website:

http://hosted.ap.org/dynamic/stories/U/US_GAS_DRILLING_DIMOCK?SITE=AP&SECTION=HOME&TEMPLATE=DEFAULT

Since the article did not give a reason why the water delivery was cancelled, I was hoping you could shed some light on the situation.

Thank you.
